Send receipt to paul@plantriskassessment.com.au & to ausriskservices1234@gmail.com

Please note that Glow Technologies and Australian Risk Services are both owed by Paul Camilleri who has been operating in the Risk Management Field for 35 Years.

Please provide a copy of this Agreement Signed and Dated to paul@plantriskassessment.com.au and to ausriskservices1234@gmail.com . AND JOSHUA@PLANTRISKASSESSMENT.COM.AU

Upon receiving of funds credit and the signed contract we will allocate to your account the value you have paid for and you need to indicate the values to be allocated to Complex equipment Purchases and Basic equipment Purchases. See below for explanation.

Please note: **Basic items** of plant relate to plant such as **Air Compressors**, Generators, Pumps, **Hand tools extra.**

Complex plant: relates to items such as **Cranes, Excavators**, Forklifts, Trucks, Tippers extra.

Please note you can verify items by down loading the app and search for plant items you have and you can verify their classification of Complex or Basic. Its free to download.

Note you can build your own templates if we do not have a plant item. There are over 400 plant items registered in our database or we can build them for you at a cost of \$80.00 plus GST per hour.
